Greetings to one and all! The new membership directory and relocation/tourism magazine are gearing up to be printed, and we are NOW taking ad placements for both. I would like to give everyone of you a “heads up” that there are several companies promoting tourism magazine advertising that are NOT affiliated in any way with the Bitterroot Valley Chamber of Commerce. These magazines will not be displayed by the Bitterroot Valley Chamber of Commerce in either of its locations, nor will they be handed out at any events or mailed to potential tourists or people moving to the valley. Be aware that they are marketing using Chamber of Commerce affiliation when in fact they are not.
